MEMORANDUM FOR: Director of Central Intelligence

1. On Friday, 22 August 1975, we discussed appropriate Agency representation on the ad hoc group called for by National Security Study Memorandum (NSSM) 229, "Review of the Management of Classified National Security Information."

2. Subsequent to your departure, I had additional conversations on this matter with [redacted] Deputy General Counsel; [redacted] Office of Legislative Counsel; and members of my own Staff. A clear consensus developed that the Office of General Counsel should take the Agency representation. It was a somewhat similar group, on which OGC sat, which addressed itself to E.O. 11652 and, additionally, the other points covered in the NSSM are substantively connected with both existing and proposed legislation.

3. [redacted] will be the representative by name on the group. He has the most extensive background on both E.O. 11652 and FOIA, and is also the Agency's principal representative to the Interagency Classification Review Committee.
